

### CD #3

The Son of God appeared for this purpose,  
to destroy the works of the devil.

I John 3:8b (NAS)

...the Sunrise from on high shall visit us,  
TO SHINE UPON THOSE WHO SIT IN DARKNESS AND THE SHADOW OF DEATH,  
To guide our feet into the way of peace.

Luke 1:78b-79

*Why do we suffer? Why is there so much pain? Why are some people so cruel? God created each of us with free choice. Unfortunately, when people choose evil, they hurt themselves AND others. You and I have both been hurt by others' evil. We have also sinned against others. Is healing possible? As you listen to these songs, I pray you will find the One who can set you free to dance in joy again!*

You did it: you changed wild lament  
into whirling dance;  
You ripped off my black mourning band  
and decked me with wildflowers.  
I'm about to burst with song;  
I can't keep quiet about you.  
GOD, my God,  
I can't thank you enough.

Psalm 30:11-12 (The Message)

**Dedication** *I dedicate this CD to those who have fought intense spiritual battles for me that I might apply the victory Christ won at His death and resurrection over evil spiritual forces into my life. Many have prayed for me at conferences and prayer sessions or labored in intercession for me even in the night. Several have sat with me for hours during prayer sessions, seeking the face of God with me for deliverance, freedom, and purity. I am overwhelmed by your generosity of time and labors of love. I am especially indebted to Dr. Tom Hawkins, Pastor Doug, Marion Knox, Gayleen Terry, Karen Sackett, Jon and Sherry Shumaker, Ted Hahs, Ken and Sylvia Thornberg, Susan Fisher, Barb Moore, and of course, my husband, Brent. Most of all I dedicate this to my Lord and Savior Jesus Christ who suffered immeasurably for me and now intercedes for me before the Father. How marvelously He has provided a band of warriors for me around His throne!*

**Thank you** *to Joe Howard for again providing amazing arrangements, polishing the music springing up from my heart, graciously correcting my musical errors, and weaving all these songs together into a kaleidoscope of victory. Thank you, Trent Smith, for your marvelously inspirational and vibrant violin parts. Both of you are a joy to work with!*
