

The Vision of His Healing Love Ministries

Our goal is to bring brokenhearted adults and children
wounded through abuse
into the Holy Spirit's healing presence through
prayer,
worship,
the arts,
healing music,
interpretive worship dance,
teaching and workshops
filled with authentic, heart-felt expression, Biblical truth, and divine grace.

Our desired outcome is that wounded people will be
touched,
cleansed,
comforted,
given hope,
transformed,
and find a new life of joy and rest
in fellowship with their heavenly Father through His Son, Jesus Christ
as they mature in their community of faith.

We desire to partner with various people, churches, and organizations
to provide team support and resources for hurting people.
Our mission is to present truth with clarity
in kindness, gentleness and peace.
